

Dilissen Logistics GmbH is an internationally active, family-run logistics service provider based in Aachen. Our range of services includes the development and implementation of comprehensive transport and logistics solutions for various industries. We currently employ about 65 people and have a fleet of 35 vehicles. We do not transport bulk goods, liquids etc.. Otherwise, we are the logistics partner for road haulage.

We are looking for the following person as of the next possible date

Commercial employee (m/f/d) part-time or full-time

This is how you support our team:

- clearance and settlement of forwarding and logistics services
- management of pallet accounts
- contact person for external and internal customers, partners and subcontractors

Here's what you bring for a successful start:

- completed commercial vocational training
- commercial work experience is desirable
- good knowledge of German
- experience with MS Office applications
- strong communication skills and a team-oriented approach

We offer:

- a permanent job in a company with a family atmosphere
- a cooperative and team-oriented atmosphere
- employer benefits for company pension scheme and capital-forming benefits
- flexitime working hours in consultation with colleagues
- adequate payment
- 30 days' holiday per calendar year
- free parking on the company premises
- participation in the "Employees recruit employees" bonus programme

Interested?
